EXPERIENCE

OctaNet Services Pvt Ltd

Remote Internship

Web Development Internship

June 2024 - July 2024

- HTML/CSS: Strengthened responsive design, semantic HTML, and advanced CSS techniques.
- JavaScript: Improved skills in vanilla JavaScript, DOM manipulation, and event handling.
- jQuery: Used jQuery for dynamic UI and simplified DOM traversal.
- Git: Gained experience in version control and collaboration

PROJECTS

Comprehensive Exam Website

- Developed a comprehensive exam website using HTML, CSS, JavaScript, and React.js, enabling seamless user interaction, question management, and real-time results processing.

Blockchain Decentralize Google Drive Project

- Developed a decentralized Google Drive alternative using blockchain technology, ensuring secure, tamper-proof, and distributed file storage.

Uber Rides Data Analysis using Python

- Performed Uber rides data analysis using Python, leveraging Pandas, NumPy and Matplotlib to extract insights on ride patterns, demand trends, and peak hours.

Blind person Assistance Stick

- Smart walking stick with ultrasonic sensors, vibration alerts, and GPS tracking to help visually impaired individuals navigate safely and independently.

CERTIFICATIONS

Microsoft Certified: Azure AI Fundamentals	Microsoft
Automation Anywhere Certified Essentials RPA Professional	Automation Anywhere
Training in Web Development	IT Skills
Cryptocurrency Course	Udemy

ACTIVITIES

- Core member of Mozilla Firefox Committee
- Core member of Blockchain Committee Orchestrating impactful events
- Coordinator in Riviera'24 / Riviera'25
- Rotaract Club Service Volunteer
